APPLICATION TO CANCEL  
CERTIFICATE OF CONVENIENCE  
AND NECESSITY

Mohave Cooperative Services, Inc. ("MCS"), by and through its counsel undersigned, hereby requests the Arizona Corporation Commission cancel its Certificate of Convenience and Necessity ("Certificate") to provide resold and facilities-based local exchange telecommunications services in Arizona. This Application is supported by the following:

1. MCS is an Arizona corporation formed in 1994 and duly existing under the laws of the State of Arizona.
2. MCS was granted a conditional Certificate to provide resold and facilities-based local exchange telecommunications services in Arizona by Decision No. 67673, dated March 9, 2005.
3. Although MCS satisfied all conditions specified in Decision No. 67673, it never provided resold or facilities-based local exchange telecommunications service in Arizona.

-1-

- 1 4. MCS did provide Voice over Internet Protocol (VoIP) service to up to 125 customers  
2 in Mohave County, Arizona between 2005 and 2013. However, MCS notified  
3 customers of its intent to halt providing VoIP service in March of 2013 and the last  
4 customers were successfully transferred to another provider as of August 15, 2013.
- 5 5. MCS has not provided or offered any telecommunications service in Arizona,  
6 including VoIP, since its last VoIP customers were transferred and has no intention of  
7 doing so in the future.
- 8 6. As MCS has no customers and never established a service territory for resold and  
9 facilities-based local exchange telecommunications services in Arizona; therefore there  
10 are no Arizona counties affected by this application to cancel. However, MCS will  
11 cause the form of notice attached hereto as Exhibit A to be published in the Kingman  
12 Miner on or before March 10, 2014, a newspaper of general circulation published in  
13 Mohave County, Arizona. An affidavit of publication will be submitted to Docket  
14 Control when available.
